

# Endangered, Threatened, and Proposed Species

Updated: May 30, 2012

The following species occur within the proclamation boundaries of at least one Eastern Region National Forest/Tallgrass Prairie. They are either **Proposed** for listing, or are listed as **Threatened** or **Endangered** under the Endangered Species Act.

## MAMMALS

### Endangered

- Gray Bat (*Myotis grisescens*) – HO, MT, SH
- Indiana Bat (*Myotis sodalis*) – AL, GM, HO, HM, MO, MT, SH, WN
- Virginia Big-eared Bat (*Corynorhinus townsendii virginianus*) – MO
- West Virginia Northern Flying Squirrel (*Glaucomys sabrinus fuscus*) – MO

### Threatened

- Canada Lynx (*Lynx canadensis*) – CP, HI, SU<sup>^</sup>, WM

## BIRDS

### Endangered

- Kirtland's Warbler (*Setophaga kirtlandii*) – CN, HI, HM, OT
- Piping Plover (*Charadrius melanotos*) – HI<sup>^</sup>, HM

## AMPHIBIANS

### Endangered

- Ozark Hellbender (*Cryptobranchus alleganiensis bishop*) - MT

### Threatened

- Cheat Mountain Salamander (*Plethodon nettingi*) – MO

## INVERTEBRATE – BIVALVES

### Endangered

- Clubshell (*Pleurobema clava*) - AL
- Curtis' Pearly Mussel (*Epioblasma florentina curtisi*) - MT
- Fanshell (*Cyprogenia stegaria*) - HO
- Northern Riffleshell (*Epioblasma torulosa rangiana*) - AL
- Pink Mucket (*Lampsilis abrupta*) - MT
- Rayed Bean (*Villosa fabalis*) – AL
- Rough Pigtoe (*Pleurobema plenum*) – HO
- Scaleshell (*Leptodea leptodon*) - MT
- Sheepnose (*Plethobasus cyphyus*) – MT
- Snuffbox (*Epioblasma triquetra*) - MT
- Spectaclecase (*Cumberlandia monodonta*) - MT

## **INVERTEBRATE – GASTROPODS**

### Endangered

Tumbling Creek Cavesnail (*Antrobia culveri*) - MT

## **INVERTEBRATE – INSECTS**

### Endangered

American Burying Beetle (*Nicrophorus americanus*) - WN

Hine's Emerald Dragonfly (*Somatochlora hineana*) – HI<sup>^</sup>, MT<sup>^</sup>

Karner Blue Butterfly (*Lycaeides melissa samuelis*) - HM

## **PLANTS**

### Endangered

Shale-barren Rockcress (*Arabis serotina*) - MO

Leafy Prairie-clover (*Dalea foliosa*) - MI

Running Buffalo Clover (*Trifolium stoloniferum*) – MO, MT, WN

### Threatened

Mead's Milkweed (*Asclepias meadii*) – MI\*, MT, SH

Hart's-tongue Fern (*Asplenium scolopendrium var. americanum*) - HI

Pitcher's Thistle (*Cirsium pitcheri*) – HI, HM

Virginia Sneezeweed (*Helenium virginicum*) - MT

Dwarf Lake Iris (*Iris lacustris*) - HI

Small Whorled Pogonia (*Isotria medeoloides*) – MO, WM

Houghton's Goldenrod (*Oligoneuron houghtonii*) - HI

Fassett's Locoweed (*Oxytropis campestris v. chartacea*) - CN

Virginia Spirea (*Spiraea virginiana*) - MO

Lakeside Daisy (*Tetraneurus herbacea* (=*Hymenoxys acaulis var. glabra*)) - HI
